

LECC Newsletter

Our Purpose:

Provide regular opportunities to meet and interact with key players in decision making processes.

Network with peak business organisations in order to pass on the latest information and advice.

Help businesses and local organisations to apply for grant funding to develop the region

Arrange training in business skills.

Secretary

PO Box 14

Adaminaby 2629

While logistically it has been impossible to organise a general meeting many, many things have been happening behind the scenes. There is news on the Big Trout, the webcam and the Old Adaminaby Boat Ramp, among other things and it is all too big to put in here this time.

So to find out the latest on these projects and have your say about things to do with our town and region, please attend our next general meeting on

8th February 2010

Adaminaby Memorial Hall

From 7pm

AND

The Chamber AGM is on 8th March at the same place and time as above

LECC gets a lot of email. Much of it is not much use to you. If you would prefer not to get our mail sent on then I am happy to remove you from the e-list. I will endeavor to get the interesting news into this newsletter but I cannot promise that you could miss out on some important things to you..... leave a message at 6452 3112 or on pacaj@inet.net.au

Our Vision. As economic development and healthy communities are intertwined, we work to create policies and an environment that support local businesses
